To Whom It May Concern:

Per warranty deed # 152727 (copy available upon request), George and Beverly Pearcey conveyed one-third of their interest in and to that certain spring situate on Government Lot 5, section 11, township 36N, range 2E. B. M.

Per Second Judicial Court Decree, case # 6496 (copy available upon request), George and Beverly Pearcey were appropriated 0.0222 cubic feet of water per second with a priority in time of May, 1948, from spring described in previous paragraph.

Thus, our one-third of the Pearcey's interest in said spring is one-third of 0.0222 cubic feet per second, or 0.007326 cubic feet per second, for our beneficial use in the area of application.

The point of diversion for said spring rests on the former Russell Haralson (Pearcey estate) property. The current owner of property is William and Barbara Baird.
