NOTICE TO RESUME WATER USE

Re: Water Right No. 37-7747

Dear Applicant(s):

On July 16, 2001, the department approved an Application for Extension of Time to Avoid Forfeiture of Water Right as submitted to the department for 0.30 cfs for the irrigation of 18 acres and 0.08 cfs for domestic use. One condition of the approval was that diversion and use of this water must resume on or before June 1, 2006. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Therefore, I am enclosing a form for your use to notify the department of the resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
