RE: App For Transfer 72035 Big Sky Dairy

Dear Jack;

Since you seem to be ramrodding the transfer, I am contacting you for some needed documents. We need something in writing from the original applicants conveying their interest in the transfer to Big Sky, so I have prepared an Assignment of Application form that needs notarized signatures from both of the original applicants.

Also, we need something in writing from Big Sky stating that they want us to process the corrected application. The simplest way to do this is to just have all 3 partners sign the application. I am including 3 signature pages in case they can't all get to the same notary together, or they can just sign the same page.

These two issues seem to be the main items outside the Department holding up processing, so the sooner we get the signed documents back the sooner we can move the application into advertising. Some in-house data cleanup needs to be done due to issuance of the SRBA decrees, and that is being worked on.

Regards,

James E. Stanton
Sr. Water Resource Agent
