Re: Water Permit Application No. 96-9280

Dear Mary:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right application. A copy of the application follows for your reference. This one and several others came in while I was off again for medical leave, and some of the steps in the process fell by the wayside.

We are sending this to you for your comments, and would appreciate receiving your comments by no later than **May 22, 2006**. If we do not hear from you by that date, we will assume that no comment from you means you have no objection to, concerns about, or conditions pertaining to the issuance of this permit.

You may send comments by regular mail to the address above, by FAX to 769-1454, or by e-mail to [Dianne.Ball@idwr.idaho.gov](mailto:Dianne.Ball@idwr.idaho.gov).

Please contact this office if you have any questions regarding the application.

Thanks for your attention to some of these coming to you this week for quick turn-around. I appreciate your help.

Sincerely,

Dianne Ball  
Administrative Assistant
