Subject: Higley/Ballard 75-7404

Shelley, On 5-18-06, I made an on-site visit to the Higley property in conjunction with an adjudication field exam. The Ivan Ballard property located in Lot 2, does not share the point of diversion or conveyance system under 75-7404. The Ballard property appears to be irrigated by waste water from property to the east of the Ballard property. I hope this helps. Bob Foster.
