Dear Mr. Magnuson:

Enclosed, please find the original "Assignment of Permit" for the transfer of permit #95-9012 to Elkhorn Ranch Homeowners Association, which was forwarded to me in error. As stated on the fax cover sheet sent to you on April 12, 2006 (copy attached), this application must be forwarded to the Department of Water Resources in Boise along with a filing fee of \$25.00.

Please refer back to the attached copy of the fax cover sheet for specific mailing instructions. If you have any further questions regarding the processing of this application, please contact Kari Lynn Townsend at IDWR in Boise (contact information also included on copy of fax cover sheet).

We are requesting your immediate attention in the completion of this process so the Association may move forward with the revision of the permit to meet the current number of homes as well as that of future development in Elkhorn Ranch Estates.

Thank you for your time and attention in this matter.
