Re: Metropolitan Life Insurance Company Loan Number: X177068 - Northside Dairy-
Jerome, ID

Dear Mr. Funderburg,

Per your request of Clear Creek Land & Mortgage, this letter will advise you that Metlife approves the transfer application to add 0.27 CFS, to 96.4 Acft/Annum to his commercial use for the dairy, which serves as part of the security for our loan. It is our understanding that this transfer will be from permit number 36-8490, which partially irrigates approximately, 296.40 acres of our security for the above referenced loan.

Sincerely,

Barry L. Bogseth
Director
