Re: Application to Appropriate Water: Salmon River (15-14265)

Dear Shelley:

Thank you for taking the time to visit with me yesterday about my water application and the details of your May 2, 2006, letter.

I will be happy to cooperate with the Department of Water Resources, and contribute in whatever way I can to make sure Idaho's valuable water resource is used wisely and that the quality of the water is maintained.

By June 1, 2006, I will make every effort to supply the IDWR with the additional information required by Water Appropriation Rules 40.05.c through 40.05.g, provided for me in your letter.

Sincerely yours,

Bill Oldham
