RE: Re-establishing "Application for Permit".

Dear Sharla:

As of our telephone conversation on 22 March 2006, I seem to have misplaced my file containing my permit - 75-7588, therefore I didn't return your letters.

This permit is very important to me as you can see it irrigates most of the lower pasture on my ranch. I would certainly appreciate having this permit approved.

If I can assist you in any way please inform me and I will do all I can to help.

Sincerely,

Bill Gattung
