Re: applicant name

I spoke a few times over the past 2 weeks with Rob Wood from Jerry Rigby's office about the ownership of these applications (21-13033 and 21-13034). The name the applicant listed was the Ralph A Thompson Subdivision, which was ambiguous. Rob Wood indicated it is actually the Thompson Addition Homeowners Association, Inc. They are registered with the Secretary of State, and Rob provided a list of the officers (see next page).
