PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 65-13731

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The proof form notifies the department that the system and use of the water has been completed. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

I am enclosing an Assignment of Permit form for you to complete and sign before a notary public. This form will assign the permit to a buyer of your property. It must be filed with the department, along with the \$25.00 filing fee, and the department will update the ownership records to reflect the new buyer as the current owner(s). Be advised that Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please provide the buyer with a copy of this letter.

If you have questions regarding the proof or the assignment of permit, please contact me at (208) 287-4942. Any questions concerning the field examination, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190.

Sincerely,
