If the right is not recorded in the name of the seller/lessor, attach a copy of a change of ownership form as required by Section 42-248 or 42-1409(6), Idaho Code, together with required documentation

The water right was transferred from the Lower Snake River Aquifer Recharge District to the Idaho

Attach watermaster records, pumping power bills, or other evidence to demonstrate that the right has not been lost through abandonment or forfeiture. The water right would typically be used in the spring to take advantage of water during periods of high runoff.
