In accordance with our telephone discussion with Bill Mabbutt on December 20, 1976, we have enclosed an application to appropriate water from the Salyer Spring on the Curlew National Grasslands. Please submit this with the \$10.00 filing fee to the Dept. of Water Resources in Boise as is customarily done. The fee can be charged to 8100 6244. In the future our permits will be sent through I.S.O. and the Boise Dept. of Water Resources Office rather than Idaho Falls. Thank you for your help in this matter.
