Claim #2

AMENDED

CLAIM TO A WATER RIGHT

AMENDED

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

RE: Amended Claims to Water Rights No. 15-4088 & 15-4089

Ivan L. Corbridge
1741 N. 1500 E
Provo, Utah 84604

Dear Mr. Corbridge:

The Department of Water Resources has completed the processing of your amended claims to water rights and no further action is authorized under Sections 42-225a and 42-225b, Idaho Code. Your claims will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of your amended claims does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claims.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your amended claim file, you may have that information or evidence added at any time. Please refer to your claim numbers when corresponding with this office.

We are enclosing, for your records, a copy of your amended claims. If you have any questions or if we can be of further assistance, please feel free to call upon us.

Very truly yours,
