Dear Watermaster:

The U.S. Forest Service has filed the above numbered applications for permit with the Department for appropriation of water within your water district. Because of the number of applications received from the U.S.F.S., we are not routing copies of their applications to the watermasters as in the past. However, they are being advertised in your local paper on May 7 and 14, 1981. In reviewing the published advertisements, if you have questions concerning a specific application we will be glad to furnish copies upon request.

Applications from parties other than the U.S.F.S. will receive normal routing.
