Re: (See attached lists of water right numbers)

I acknowledge receipt of the statement of beneficial use postcards for the water rights listed on the attached pages.

Before a license can be issued, a field examination must be made by a representative of this department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

If you have any questions regarding the field examination, please contact our Eastern Regional office.

Dear Watermaster:

The U.S. Forest Service has filed the above numbered applications for permit with the Department for appropriation of water within your water district. Because of the number of applications received from the U.S.F.S., we are not routing copies of their applications to the watermasters as in the past. However, they are being advertised in your local paper on May 7 and 14, 1981. In reviewing the published advertisements, if you have questions concerning a specific application we will be glad to furnish copies upon request.

Applications from parties other than the U.S.F.S. will receive normal routing.
