Dear Mr. Williams:

Once again I find it necessary to return Check No. 92-273 in the amount of \$35.00, and the application you submitted in the name of Fred or Carl Bingham.

There appears to be a discrepancy in the legal description for the point of diversion and place of use. This is undoubtedly due to the fact that Section 6 is in a row of corrected sections and has lots numbered across the northern and western edges of the section.

Also, it is necessary to specify a diversion rate rather than an annual volume. The applicants may appropriate a maximum of 2.0 c.f.s. for the \$35.00 application fee. However, they may legally appropriate 3.1 c.f.s. which is the maximum rate of diversion for 155 acres. This of course would require an extra \$20.00 in filing fees.

I have prepared a rough draft indicating my interpretation of the information supplied. I also am enclosing a transparent overlay for the aerial photo supplied with the application. I thought perhaps it would be useful in making the necessary corrections on this application.

If you have any questions concerning the necessary corrections, please feel free to contact me.

Very truly yours,

Dear Mr. Carlson:

Thank you for your letter of February 20, 1975, regarding the application for permit submitted by us on behalf of Fred and Carl Bingham. Upon reviewing the application and your letter, it is understandable that the description of the property which we provided raised questions in your mind as to the classification of the water.

I am returning to you the original application and check. In addition thereto, I am also enclosing a photograph of the property in question.

If you compare our photograph and the boundaries drawn with the description of the proposed project in the application, I think you will find it clear that portions of the water in question extend over the boundaries of the land owned by the applicants and thus would not come within the purview of Idaho Code Section 42-212.

If this information is not adequate for your purposes in making the Bingham application complete, please notify this office requesting further information you might desire.

Yours very truly,

J. DENNIS (J. D.) WILLIAMS
