RE: Permit No. 13-7073

A Bar Ranches
Box 71
Swanlake, ID 83281

Gentlemen:

Thank you for returning the amendment form for Permit No. 13-7073 filed in the name of Erma H. Abbott. Unfortunately, we cannot accept the amendment under your signature because in Idaho a permit for a water right is considered personal property and the only person authorized to sign the amendment is the permit holder.

In your case where the permit holder has sold the land to you, then some document is required which show conveyance of ownership to you. Usually a copy of a warranty deed or contract of sale which shows the permit number or describes the permit as personal property is satisfactory provided that signatures of the authorized parties are also included. Or you can have the permit holder assign the permit to you, assignment form enclosed.

We will hold your check and amendment form for 30 days to allow you time to follow up. If we don't hear from you by May 26, 1982, we will have no alternative but to return your check and start cancellation proceedings of the permit. If you have any questions or if I can be of any assistance, please let me know.

Sincerely,

JIM JOHNSON

Dear Ms. Abbott:

One of the conditions of approval of your water Permit No. 13-7073 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before March 1, 1979. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect.
