Dear Sirs;

I would like to file an exception on claims 13-04315, 13-04314, and 13-04316.

The objection is there should not be three claims. There should be one (1) claim.

The history is that there is one(1) one (1)inch pipe servicing these three claims. There should be but one claim to this water. The amount should be 15 gpm. This is the historical amount that this pipe has delivered to this claim.

Sincerely

Stanley Christensen
