RE: Claim for Riverdale Culinary Water System

S. A. Meek
Rt. #2
Preston, ID 83263

Dear Mr. Meek:

On July 6, 1983 (postmark June 30) the Department of Water Resources received your claim to a water right filed in accordance with Section 42-242 of the Idaho Code requiring all beneficial use water rights be recorded with the state. This claim was reviewed by our staff and subsequently returned on October 24, 1983 with a cover letter outlining the modifications you needed to make for the claim to be in form to process.

The fee at the time you submitted your claim was \$30.00. However, starting July 1, 1983 the statutory fee for filing a claim was substantially increased to \$100.00.

Since your claim was originally received when the lower fee was in effect, we will accept your claim at that rate provided it has been corrected and returned no later than December 26, 1983. A returned claim postmarked later than December 26, 1983 will be assessed the current filing fee of \$100.00.

Staff at our office will be glad to answer questions or assist you in properly completing the claim form.

Respectfully submitted,

ERNEST CARLSEN
Assistant Regional Supervisor
