

This topographic map depicts a portion of the Santa Anita Racetrack area, characterized by a grid of sections 19, 20, 24, 25, and 30. The terrain is marked with contour lines indicating elevations ranging from approximately 4650 to 4750 feet. Water features include Twin Lakes to the west, Bear Spring to the east, and the Little Santa Anita Racetrack in the center. A canal is visible in the lower right. Handwritten annotations in black ink include 'R39E' in the upper right, 'home-point of use' with an arrow pointing to a specific location, and 'spring-point of diversion' with an arrow pointing to another location. A vertical line is labeled 'T15S'. The map also shows various survey points marked with 'X' and 'BM' (benchmark), and a grid of section numbers. The map is oriented with North at the top.

Dear Ms. Frew:

We have received the exception dated October 7, 1983, filed against the above referenced claim to a water right. The following is a quote from the provisions of the Idaho Code under which this claim has been filed:

42-225b. Recording of claims by department----Corrections.----

.....
At any time after filing a claim under the provisions of this section, any person who disagrees that a right has been established as set forth in said claim may file an exception thereto in duplicate, in affidavit form, accompanied by such proof as said person deems appropriate. An exception filed shall be made a part of the file of the claim in the Department of Water Administration (renamed Department of Water Resources, July 1, 1974) and shall be considered the same as other evidence in said file. A copy of an exception filed shall be forwarded to the claimant by the Department of Water Resources. Such claims may be corrected by the claimant only by filing of an amended claim in the same form as the original which shall be recorded and numbered by the department the same as the original and for which no additional filing fee shall be required.

Only the above action has been contemplated by the Idaho Legislature and we are not authorized to hold hearings or evaluate for conformation or final censorship of the described rights.

If you have any questions regarding this matter, please contact us.

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,
