IN THE MATTER OF THE CLAIMS)
TO A WATER RIGHT FILED BY)
CLEVELAND HOT SPRINGS, INC.,) PROTEST OF CLAIMS
DATED JUNE 20, 1983,)
Claim #13-4252 and #13-4253)

COMES NOW J. C. H., Inc., an Idaho corporation with its principal place of business at Cleveland, Idaho (hereinafter referred to as "Protestant"), and protests the above named claims of Cleveland Hot Springs, Inc. (hereinafter referred to as "Claimant"), as follows:

1. That the waters of the Bear River and all of its tributaries were fully adjudicated in the matter of Utah Power & Light Company vs. Last Chance Canal Company, Ltd., et al., In Equity #203 dated July 14, 1920, more commonly known as the "Dietrich Decree".

2. The water arising and flowing from the springs which are the subject matter of claim #13-4151 and #13-4253 were tributary to the Bear River and fully adjudicated and decreed in the Dietrich Decree as right #458(a) to Edwin Bennion in the amount of 1.5 cfs with a priority date of June 1, 1870. Said water rights have been continuously used on an annual basis during the Summer irrigation season, together with other water rights decreed to said Edwin Bennion under right #458 in Cotton Wood Creek for the irrigation of 624 acres in Section 36, Township 12 South, Range 40 East and Lots 3 and 4 and the East half of the Southwest Quarter of Section 31, Township 12 South, Range 41 East of the Boise Meridian, Franklin County, Idaho, all pursuant to the Dietrich Decree.

3. J. C. H., Inc., is an Idaho corporation with its principal place of business at Cleveland, Idaho, and currently owns Dietrich Decree right #458(a) which pertains to the

MICROFILMED

springs which are the subject matter of these claims as the successor in interest to the original decreed owner, Edwin Bennion.

4. Curtis Hislop who currently resides at 522 Harrison Boulevard, Ogden, Utah, was the President and sole stockhold of J. C. H., Inc., from 1977 until 1980. Jay Nelson of RFD1, Box 106A, Logan, Utah, acquired the stock of Curtis Hislop in approximately January, 1980, from which date he has been the President and sole stockholder of J. C. H., Inc.

5. From 1977 to date, J. C. H., Inc., has owned and fully utilized all of the water arising from the subject springs for irrigation purposes during the summer months on approximately 250 acres of real property located within Section 31, Township 12 South, Range 41 East and Section 36, Township 12 South, Range 40 East of the Boise Meridian, Franklin County, Idaho, and also for stock watering purposes on a year round basis.

6. Protestant claims additional rights to use the waters arising from said springs evidenced by Claim #13-4116 and #13-4117 each dated November 6, 1979, and filed with the State of Idaho, Department of Water Resources, copies of which are attached hereto as Exhibits "A" and "B" and incorporated by reference.

7. Protestant denies that the Claimant, Cleveland Hot Springs, Inc., has used any of the waters from the subject springs as set forth in their claims since March 29, 1966, the claimed priority date, and further denies that the Claimant has any right whatsoever to use any of the spring waters arising from the springs, except for occassional stock watering purposes. Protestant does not protest or object to Claimants continued use of the springs for limited stock watering purposes as in the past in those areas where the spring waters arise upon or flow through property owned by Claimant.

8. Protestant does object to and protest any use by Claimant of the subject spring waters for irrigation purposes by reason of the fact that the subject spring waters are fully consumed by Protestant for irrigation purposes during the Summer months pursuant to its Dietrich decreed rights and other claimed water rights which are prior in time and right, and for the further reason that there is no excess water available for appropriation.

9. By reason of the foregoing, Claimant holds no valid claim or right to the ownership or use of waters flowing from the subject springs. If Claimant previously had any right to use the subject spring waters, which Protestant denies, such right has been forfeited under Idaho law due to continuous nonuse since 1977 or has otherwise been abandoned.
