CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that George Cole Reeder
(Name of Claimant)

(2) Describe the source of water: (Name of stream, lake, spring, etc., or ground water)
Quakingasp Hollow or Sant Creek Stream tributary to Battle Creek

(3) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:
