Dear Bill

The water I want to file on, is the overflow from the Franklin city Calongary Reservoir. This water flowed into our Irrigation Ditch, but now that we have put in pipeline, it just runs into my Pasture because the ditch has been filled in.

Since I have talked to you on the phone, I have had a hard time getting to see the man that has a copy of the water right to Maple creek, I am to get a copy next week, I will send one to you then. It is the first ditch company in the State of Idaho. I think you will find it most interesting.
