Dear Mr. Beutler:

We also enclose Departmental Receipt No. G-6654 which was issued covering payment in the amount of \$5.50 for the filing fee of the above mentioned permit.

You will note, under Question 10, that we have changed the required time for completion of works and complete application of the water to the proposed use to five years. However, you may make the required proofs at any time you are prepared to do so within that time.

Very truly yours,
