Dear Mr. Condie:

This acknowledges the Notice of Proof of Application of Water to Beneficial Use, under Permit No. 26275, in the name of Roy C. Andreasen. Final proof is to be made before you as Notary, on the 31st day of July, at 10:00 A. M.

As of this date we have mailed the Notice to the Preston Citizen, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then to mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the Permit Holder and his two disinterested witnesses, who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of publication.

Dear Sir:

Under the terms of your permit No. 26275 you are required to complete your diversion works and make proof of beneficial use on or before

April 2, 1958.

We enclose herewith a blank affidavit to be filled out, sworn to by you before a Notary Public or Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the Completion of the Works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion of Works will be issued to you.

We also enclose blank notice for proof of application of water to Beneficial Use under this permit, which should be filled out and returned to this office at least forty (40) days before the date upon which you wish to make proof. The proof must be submitted before a Notary Public or other officer authorized by law to administer oaths. The date for proof as set out in your permit, is April 2, 1958, and if proof is submitted subsequent to said date, your priority will be brought down a length of time equal to the time elapsing between the date proof should have been made and the date proof is actually made.
