PROOF ACKNOWLEDGMENT LETTER

Re: Permit No 97-7448

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

After review, it has been noted there is an over payment of \$100.00. I will notify fiscal to issue a refund. 1-.20 cfs or 0-20 acre feet requires a fee of \$50.00, which falls within the parameter of your permit.

If you have questions about the field examination, please contact the **Northern** Regional Office of the department in Coeur d'Alene at (208) 769-1450.

Sincerely,

Christine Roberts
