RE: Transfer on Water Right 31-11639

Dear Mr. or Mrs. Dalling:

When I assisted David in completing the transfer, I instructed him that this office would also need a copy of the warranty deed and a notarized disclaimer from the current owner of the SW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec 35, T12N, R38E.

The Department will hold further processing of your application for 30 days from the date of this letter to allow submittal of the required information. Additional time may be granted by the Department upon receipt of a written request and sufficient justification for an extension. After that time, if adequate information is not received, the Department will issue a preliminary order to reject or deny the application.

Your prompt response on or before March 24, 2006, will be appreciated.

Sincerely,

Keith C. Wilson
Senior Resource Agent
