RE: Change of Ownership

=====

Mail was received from Myrle Lois Leach on 3-13-06 in reference to this water right as well as WR's 74-15018 and 36-37B. The intent of the mail was very unclear so I telephoned Ms. Leach for an explanation.

Ms. Leach was somewhat confused about the status of 3 water rights that should all list her as the current owner. According to our database she is listed as the current owner of WR's 74-15018 and 74-10033. In addition, she is shown under her previous name of Myrle Eckles as current owner with her husband at that time, Calvin Eckles for WR 37-14277.

Upon the advice of Ms. Leach's attorney she obtained a divorce from Mr. Eckles (who died 2 days later) and was returned to the name of Leach by action of the divorce.

Ms. Leach wants to have WR 37-14277 changed to reflect her current name. Since she is listed as a current owner on this right she will send a copy of Mr. Eckles death certificate and a copy of the divorce decree restoring her to the name of Leach along with a Notice of Change in Ownership for this WR. I told her there would be no fee required.

Apparently an ownership change was processed by Sally Sherman from the decreed right holders to the Eckles. I have included copies of deeds and correspondence that are in AJ records in the hope they may provide some continuity for this file.
