

RECOMMENDATION OF WATERMASTER

Application No: (permit) 36-16406
Water Right No:
Applicant Name: North Rim Fairways Association

Watermaster's Recommendation:

- a) ☐ I do not oppose approval of this application
- b) ☒ I do not oppose approval of this application if it is conditioned as follows:

domestic use to include up to ½ acre irrigation per existing home; irrigation only in association with an existing home and only during times when North Side Canal Co water is not available or has been exhausted

no irrigation of parks, golf courses, entryways, greenbelts, common areas, etc

no additional wells to be constructed

WD130 lockable/controllable and acceptable measuring devices

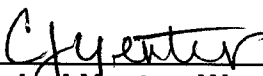

- c) ☐ I oppose approval of this application(s) for the following reasons:
- d) ☒ Additional comment:

This is an existing system which is regulated by WD130. There is a mag meter installed and diversions are reported. The purpose of the application is to legitimize additional homes which were added to the system in excess of right no. 36-8399, and to provide supplemental lawn irrigation for all homes when NSCC is not delivering. Irrigation use is specifically excluded from 36-8399.
