NOTES/COMMENTS:

Hello Keith,
I have reviewed your shape file for the City of Blackfoot's service area with Ron Hamwell and Richard Mangum from the City.

They said the service area looks right except for the portion served from the new well and waterline on Pioneer Rd. (100 North). I've approximated the area that should be added to your map on the attached map according to City staff.
Please call if you have any questions. Thank You
Marvin Fielding
