Subject: RE: City of Blackfoot Boundary Map

From reassessing the map, I am concerned that the drawings reviewed by all parties are not to scale and division lines established to define ¼ sections have errors. But if I must say where the location of Well #9 is in respect to the map, referred to previously, and a division line is assumed to travel down Northlund Ave, then the NE1/4NE1/4 portion of Section 35 would be my answer.

Ron

Marvin:

According to the attached topo map, the well lies in the NE1/4NW1/4 portion of Section 35. The well is located to the east of Northlund Ave.

Hello Ron,

Will you clarify the location of Well No. 9 for Mr. Wilson.

Thank you,
Marvin Fielding

Marvin,

I have attached a map with the NE 1/4 Sec 35, T2S, R35E.

I have spacial data that disagrees with the Legal for Well #9

NW1/4NE1/4 Sec 35 Spacial Data

NW1/4 Sec 35 Legal Description

NE1/4NW1/4 Sec 35 Map accompanying the Transfer

Please review this information and let me know where the well could be located.

Thanks,

Keith C Wilson
