RE: Transfer application for City of Blackfoot

Dear Mr. Woodland:

The City of Blackfoot has filed an application for transfer (copy enclosed) to add a new well (#12) within the NE $\frac{1}{4}$ SE $\frac{1}{4}$ SE $\frac{1}{4}$ Sec 35, T02S, R35E. The application is in the review process, but the application **has not** been approved.

Your letter refers to your well that appears to be under water right 27-7099 (copy enclosed) and is located in the SW $\frac{1}{4}$ NW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec 36, T02S, R35E. Your letter is very informative but does not include all of the required information to file a formal protest.

To assist you in filing your protest enclosed is a notice of protest form with instructions. Note that a protestant is required to file a protest with the department together with a \$25.00 protest fee for each application being protested in order for the protestant to be considered a full party by the department. In addition, the department's Rule of Procedure, IDAPA 37.01.01203, requires a protestant to send a copy of a protest to the applicant.

When the completed protest is returned to this office it will be included along with your letter in the application for transfer filed by the City of Blackfoot. Any protestant that is considered a full party will be notified as to any hearings or decision(s) made by the department in reference to this application.

Sincerely,

Keith C. Wilson
