RE: Water Right No. 74-548, 74-549, & 74-550  
Change in Ownership

Dear Mr. & Mrs. Mundy:

This letter is a follow-up of the telephone conversations held earlier this year in regards to the ownership change referenced above. Upon discovering the correct water right numbers, I informed you that we would require more information before the ownership change could be complete. As of this date we have received no further documentation from you. The information required is indicated below:

- ☒ **Filing Fee** of \$25 per water right
- ☒ **Signature** and completion of Notice of Change in Ownership form, copy enclosed

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. Because water right 74-549 is still active in the Snake River Basin Adjudication action, no fee is required to change the ownership on this right. We have determined that the filing fee for your notice will be **\$50**.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L McDermott  
Records Analyst
