2ND REQUEST!!

RE: Water Right No. 74-458, 74-459 & 74-550
Change in Ownership

Dear Mr. & Mrs. Mundy:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ **Filing Fee** of \$25 per water right
- ☒ **Signature** The back page of the ownership change form was not included. Enclosed is a blank ownership change form to be completed, including signature on the back page.
- ☒ **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☒ **Legal Description of Property**

Water Right 74-459 was disallowed in the SRBA, and is no longer an active water right. It will not be included in this process. The legal description on the Warranty Deed provided does not match the legal description of the place of use for water right 74-458. Please forward to our office additional evidence of ownership that matches this water right. I am enclosing a report with the missing portion highlighted.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be **\$50**.

Because the Department cannot process the ownership change without proper documentation & fees, we will hold any action on your notice pending receipt of the necessary information & fees. If we do not receive the necessary information & fees **within 30 days** we will return your notice and all attachments and your notice will not be processed.

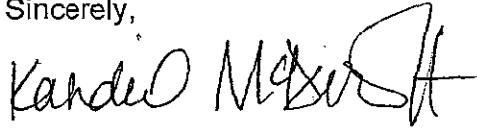

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee.
