RE: PERMIT NO. 11-07430

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

If you have questions concerning this matter, please feel free to contact the EASTERN Regional Office in Idaho Falls at (208)525-7161.

RE: Permit No. 11-07430

Dear Permit Holder:

I have returned a copy of the Proof of Beneficial Use Statement you submitted in connection with the above referenced water right. The proof form is not acceptable unless it is accompanied by the appropriate license examination fee.

The Department has determined, from pertinent sections of the Idaho Code, that the permit holder must meet two requirements in order to be exempt from the license examination fee. They are:

1. The water right must use a **groundwater** (well) source, and;
2. The rate of diversion must be .04 cfs or 4.0 AF or less.

You do not meet requirement #1 since you divert water from a surface water source (spring.) Therefore, a license examination fee of \$50.00 applies to the permit.

Please return the copy of the proof form along with the \$50.00 license examination fee to my attention within thirty (30) days of receipt of this letter.

If you have any questions or if I can be of any assistance, please contact me at (208)327-7900.

Sincerely,

JULIE L. YARBROUGH

PERMIT APPROVAL NOTICE

RE: PERMIT NO. 11-07430

Dear Permit Holder:

Enclosed is a copy of your approved application for permit. Please be sure to thoroughly review the "CONDITIONS/REMARKS:" listing on the permit.

Enclosed is a form entitled "Instructions for Proof of Beneficial Use". Please read the instructions carefully since you must take further action to develop this permit into a licensed water right. Also enclosed is a form entitled "Proof of Beneficial Use". If your project is already completed, you should complete and submit this form immediately.

Please note that a separate stream channel alteration permit must be obtained from the IDWR prior to any activity in the stream channel other than construction or maintenance of the diversion structure for your water right(s). Applications for stream channel alteration permits must be filed at least sixty days prior to the commencement of work in the stream.

RE: Notice of Application for Permit No. 11-07430

Dear Applicant:

The Department of Water Resources acknowledges receipt of your water right permit. This office is currently in the process of advertising the applications in the The News Examiner November 2 & 9, 1995. The advertisement will be published for two consecutive weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If the application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in about five weeks. State Office Personnel will conduct a complete review prior to final processing of the applications and will notify you of the outcome of this review. When a permit is issued, you will be sent a copy. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Harold W. Jones

Enclosed is the signed application form and a check for \$50⁰⁰. I can be notified at the following address:

Don Woodward
470 Wayside Rd
Portola Valley CA 94028

Also please be advised that while I was away from the premises before coming to California, someone stuffed sticks, sod, and leaves into the water pipe stopping the flow. After clearing it out I could see that some effort went into the blockage. I would naturally assume that it was the work of Mr Ludwig.

Do you advise that I contact (or you) Deputy Bunn about this? On the basis of your conversation with him, do you think he will leave me alone after a permit is approved?

Thanking you again for your assistance + be assured that the recommended modifications will be made when I return in April.

Sincerely
