As I have the License and certificate of water Right for .5 C.F.S. No. 25703 Volume 10 of licenses page 5903 on the 24th day of Jan 1957 ^(recorded) to irrigate 50 acres and it takes it all for irrigation, however, we have allowed the use of Wildlife & domestic animals to drink - and don't have any intentions of preventing them from doing so. - but I feel that if they were to see the BLM Land I don't want any other right to me water.
