Dear Mr. Mecham:

Enclosed are the assignment and proof of beneficial use affidavit recently submitted in connection with the above referenced license. As you will recall per our phone conversation, the proof had already been filed and the assignment was decided to no longer be necessary due to the license which was being issued at that time.

Also enclosed is a copy of the license recently issued on this permit. I hope this satisfies all the requirements you needed.

If you have any questions, please contact us.

Dear Sirs,

RE: Permit No. 11-7121

We have received the assignment and proof of beneficial use affidavit submitted on the above permit.

However, proof has been submitted for this permit on April 17, 1979, and a field examination conducted. Our examiner found 77 acres being irrigated with 39 acres in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, and 38 acres in the SW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 15, Twp. 13S, Rge. 46E, and measured 0.92 cfs.

On the assignment to the Federal Land Bank you designated you are assigning the SW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 15. Are you also assigning the proportion of water for that ground, or 0.45 cfs? And are you assigning the point of diversion in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 15, Twp. 13S, Rge. 46E, B.M.?

If so, please contact us as soon as possible and we will process the assignment and licenses for each portion.

If you have any questions, please contact us.
