RE: Claims Utah Process Agency, Inc. (two Claims)

Gayle D. Hunt
2121 South State
Salt Lake City, Utah 84115

Dear Mr. Hund:

On June 29, 1983 the Department of Water Resources received your claim to a water right filed in accordance with Section 42-242 of the Idaho Code requiring all beneficial use water rights be recorded with the state. This claim was reviewed by our staff and subsequently returned on August 3, 1983 ~~with~~ a cover letter outlining the modifications you needed to make for the claim to be in form to process.

The fee at the time you submitted your claim was \$30.00. However, starting July 1, 1983 the statutory fee for filing a claim was substantially increased to \$100.00. Since your claim was originally received when the lower fee was in effect, we will accept your claim at that rate provided it has been corrected and returned no later than November 21, 1983. If your claim is not returned by this date, administrative action will be taken to cancel the original filing. Should you desire to file the claim at a later date, the filing fee will be \$100.00.

The staff at our office will be glad to answer questions or assist you in properly completing the claim form.

Respectfully submitted,

ERNEST CARLSEN
Assistant Regional Supervisor
