Dear Sir:

I hereby apply for an irrigation pipeline and ditch right-of-way. This application is made pursuant to the regulations of 43 CFR Group 2800, and I agree that the right-of-way, if approved, will be subject to the terms and conditions of the applicable regulation in 43 CFR Group 2800.

This application is made under the Act of March 3, 1891 (26 Stat. 1101), as amended.

I wish to construct an irrigation ditch from the Wood Canyon to lands owned by me. The water will be diverted from the Wood Canyon and will be conveyed to my land by pipeline and open dirt ditch. The pipeline will be 6 & 8 inches in diameter and will cross 1287 feet of public land. A Right-of-way 20 feet wide will be required for the pipeline. The open ditch will cross 500 feet of public land. A right-of-way 20 feet wide will be required for the ditch. I would like a access road to pipeline. Road will be 832 feet long and 20 feet wide. The surveyed location and widths of the pipeline, ditch, and road are shown on the attached linen tracing. Three map copies of the tracing are also attached.

I will need the right-of-way for a period of 50 years.

A copy of my State water appropriation permit, No. G-73421, is attached showing my right to appropriate water from the Wood Canyon at the proposed diversion point. ✓
