Dear Mr. Lundin:

We acknowledge receipt of your affidavit submitted as proof of beneficial use for permit G-33596.

Before a license can be issued you must submit an affidavit of publication to this department. The affidavit of publication may be obtained from the Caribou County Sun, Soda Springs, Idaho after April 17, upon payment of the bill of publication.

Prior to the issuance of the license a field examination must also be made by a representative of this department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system. If someone other than yourself should be contacted by the examiner, please advise.

Re: Permit No. G-33596

C. L. Lundin
299 South 2nd West
Boda Springs, Idaho

Dear Mr. Lundin:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit and are now submitting proof of beneficial use. Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.

Very truly yours,

Donald W. McEldowney

Dear Mr. Lundin:

We acknowledge receipt of the affidavit of publication submitted in connection with the above referenced permit.

Before a license can be issued, a field examination must be made by a representative from this Department.

We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination. If someone other than yourself should be contacted, please advise.

Very truly yours,

Donald W. McEldowney
