Dear Mr. Saxton:

We acknowledge receipt of the depositions of holder and two witnesses, also affidavit of publication in the ~~None-Examiner~~, all submitted in proof of completion of works and beneficial use on Permit No. G-29454.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the grounds.

Dear Mr. Saxton:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. 6-29454. The proofs are to be made at 11:00 o'clock A.M., on the 13th day of October, 1961, ~~2:00 P.M.~~ before James Transtrum, Montpelier, Idaho, Notary Public.

As of this date we have mailed the Notice to the News Examiner with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the affidavit of publication and statement of costs to you.

It is important that the enclosed depositions be executed by you and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the place, on the date, and at the time and before the Notary, as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, the Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,
