Upon completion of the work, the Contractor shall render to the Railroad Company properly certified bills covering all work performed hereunder, accompanied by a statement and satisfactory evidence that the completed work is free and clear of all liens and claims for labor, material and equipment. Payment of all bills shall be made within thirty (30) days after they have been approved by the proper representative of the Railroad Company.

In the performance of the work hereunder, the Contractor is an independent contractor, and neither the Contractor, nor the agents or employees of the Contractor engaged in the performance of such work, are or shall be considered as employees of the Railroad Company.

(5) PAYROLL TAXES:

The Contractor agrees to accept exclusive liability for the payment of any and all payroll taxes or contributions for unemployment insurance or old age pensions or annuities which are measured by the wages, salaries or other remuneration paid to the employees of the Contractor. (7) LIENS:

The Contractor shall comply with the laws of the State in which the work is to be performed regarding liens for labor, material and supplies furnished for the work, and shall protect and indemnify the Union Pacific Railroad Company and its Lessor, **Oregon Short Line Railroad Company**, from and against any and all claims or liens against the work for labor, material and supplies furnished, and the Railroad Company may, whenever it deems it proper or expedient so to do, pay to the laborers or other persons employed by the Contractor, or those who may have furnished material or supplies for the work, out of monies due the Contractor hereunder, and sums due for labor, materials or supplies furnished in the performance of the work and charge the same to the Contractor as so much paid on this contract.

The Contractor agrees to ship via such routes as the Railroad Company may direct all supplies, materials and equipment furnished, and all laborers hired, by the Contractor for or incident to the work hereunder and to bill such supplies, materials and equipment in accordance with the Railroad Company's instructions, employing freight billing only, except as otherwise specifically authorized or directed in writing by the Railroad Company.

(A) Workmen's Compensation and Employers' Liability Insurance.
