CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

TO: RONALD D. CARLSON, REGIONAL SUPERVISOR, I.D.W.R.

FROM: F. DAVID RUDD

SUBJECT: REBUTTAL OF EXCEPTION NUMBER 42-225b on claim #11-4123

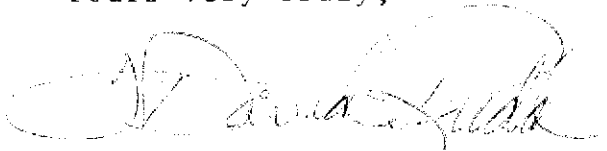

I am not filing an amended claim at this time because none of the items mentioned in the above exception require an amended claim.

I would like to point out that subject exception fails to specify any substantive issue that can be concretely defined. Neither the date of the right, the period of use, the area of use, nor the amount of water is excepted to in definite terms or descriptions. The reason for this is that the plaintiffs have always used excess waters only, and this has varied from virtually none, to all, depending on the season and the amount being used by the farm involved here, which holds the right.

There is no basis in exception #42-225b which would warrant changing the water right, or grant or award anything but the historical excess waters to the East Liberty Irrigation Co., so far as I can see. The Plaintiffs are aware, per our discussion at attorney Ardee Helm's office, 10/2/81, that they (plaintiffs) would continue to receive the excess water from the Sago drainage under my claim according to the right already established.

It is my understanding that subject exception does not legally hinder my claim to subject water right, per my telcon with I.D.W.R. of this date. It is my intention to proceed to make use of the waters listed in my claim, #11-4123, as stated therein.

Yours Very Truly,

F. David Rudd
