Re: In the matter of Protested Application for Permit No. 95-9036,
in the name of Northern Development LLC

Dear Permit Holder:

The Department of Water Resources (Department) has issued the enclosed Revised Amendment of Permit based on the enclosed Order Granting Petition for Reconsideration and Revising Amendment of Permit. These documents are in response to the Petition for Reconsideration filed with the Department regarding the Amendment of Permit dated February 10, 2006. Pursuant to section 67-5243, Idaho Code, **the enclosed Order and Revised Amended Permit are preliminary orders and therefore, can and will become final orders without further action of the Department unless a party petitions for reconsideration, requests a hearing, or files an exception and/or brief as described in the enclosed information sheet.**

Please note that water right owners are required to report any change of water right ownership and/or change of mailing address to the department within 120 days of the change. Contact any office of the department or visit our homepage on the Internet to obtain the proper reporting form.

If you have any questions, please call Shelley Keen at (208) 287-4947 or me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
