1. Subject to all prior water rights.
2. Place of use is within the area served by the public water supply system of Hauser Lake Heights Water Association. The place of use is generally located within Section 13, Township 51N, Range 6W.
3. The place of use is limited to lots in the Hauser Lake Heights Subdivision as platted on the date of this approval and four lots in the Sheltered Pines Subdivision. Use of water outside the boundaries of the Hauser Lake Heights Subdivision as platted on the date of this approval and four lots in the Sheltered Pines Subdivision is not allowed unless: (a) the Hauser Lake Heights Homeowner's Association expressly consents, in writing, to the change in the place of use, and (b) the Department approves a change in the place of use pursuant to its statutory authority.
4. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.
5. This right does not grant any right-of-way or easement across the land of another.
6. Two points of diversion are located within Lot 5, Block 9, Hauser Lake Heights Subdivision and one point of diversion is located within Lot 12, Block 1, Waterford Estates Subdivision.
7. The boundary encompassing the place of use for this water right is described with a digital boundary as authorized by Idaho law. The data comprising the digital boundary are stored in the electronic document management system of the Department and are incorporated into this approval by this reference. A map depicting the place of use is attached to this approval document to illustrate the place of use described by the digital boundary.

This amendment of permit is issued pursuant to the provisions of Section 42-211, Idaho Code. Witness the signature of the Director, affixed at Boise, this 22nd day of March, 2006.
