Case No. 39576	)	ORDER OF AMENDED PARTIAL DECREES
	)	TO CORRECT CLERICAL ERROR; I.R.C.P.
	)	60(a)

_____	)	For Water Rights 35-04070, 35-04071, 35-07808

Partial Decrees were issued for the above-captioned municipal water rights on November 17, 2000. On January 11, 2006, the Court issued a *Notice of Court's Intent to Issue Amended Partial Decrees and Notice of Hearing Thereon* to correct a clerical error in the description for the place of use element. The Court discovered that certain of the uncontested municipal water right claims failed to describe the place of use as being within the service area of the municipality. Additionally, if the place of use also contained a public land survey legal description for the place of use, the Court omitted the legal description based on the determination that the manner in which the place of use is now described eliminates the need for a specific legal description and takes into account that the service area of a municipality routinely changes. A hearing was held on the matter on April 18, 2006. No objections were filed nor did any party appear in opposition to the Court's intended action.

Therefore, IT IS ORDERED pursuant to I.R.C.P. 60(a), that the *Partial Decrees* previously issued for water rights **35-04070, 35-04071, 35-07808** are hereby amended and **decreed** as set forth in the attached *Amended Partial Decrees Pursuant to I.R.C.P. 54(b)*.

DATED May 1, 2006.
