RE: Correction to Ownership Change

An ownership change form was submitted in September 2005. Water right 36-2604 was incorrectly included on this form, and 36-2304 should have been included. Jim Speck, atty for the new owners, emailed our office to inform us of the error. WR 36-2604 has been changed back to the correct owners, and WR 36-2304 has been changed into the new owners.
