NOTICE OF PROPOSED CHANGE TO WATER RIGHTS

Notice is hereby given that an Application for Transfer has been filed with the Idaho Department of Water Resources for changes to water rights within Lincoln and Gooding Counties. **FAULKNER LAND & LIVESTOCK CO INC., 1989 E 1875 S; GOODING ID 83330 filed Application No. 71642** on 12/16/2004. This transfer proposes to dry up land south of Gooding and also in Lincoln County so that additional land can be irrigated west of Gooding. All land involved in the transfer is owned by the applicant. The existing well, motor and pump west of Gooding will provide water to the proposed new place of use; additional relief pumps will be installed to pressurize the new pivots to be installed there. The well is located 5 1/2 miles west and 5/8 mile south of the Hwy. 26/46 interchange south of Gooding. A mitigation plan has been submitted that will minimize the effects of the proposed transfer on other water users that might otherwise occur due to moving water from Lincoln County to Gooding County. For specific details regarding an application, please contact IDWR.

Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before May 8, 2006. The protestant must also send a copy of the protest to the applicant.
