Re: Proof of Beneficial Use/Water Permit #65-22805

Dear IDWR:

This firm represents Faustino Ramos. Attached is a Proof of Beneficial Use for Permit #65-22805, as well as the Well Driller's Report. The Well Driller's Report is included because no drilling permit number is indicated on it. No license examination fee is included because Kimberly confirmed that one was not needed due to the source of water being ground water, the total rate of diversion is 0.04 CFS or less, and the total volume stored is 4.0 AF or less.

If you need anything further, or if we have misunderstood anything, please let me know immediately. Thank you.

Sincerely,

Brian L. McMahon
